

Industry's #1 Rooftop Solar System Protection

How to get started

1

Pilot SolaTrim

It's easy. We can help you with your first project as a pilot.

2

Develop pricing and sales closing strategies

Start capturing margin dollars and increase your closing rates.

3

Teach your sales team to upsell SolaTrim

What customer wouldn't like an attractive, more reliable system?

4

Train your installers

Easy installation and instructions.

It's simple and fast
